## Status Update

### Information about the Application Process

Our initial screening of your application indicated that your case should be assigned to an Exempt Organizations specialist for technical review. We assign applications to specialists in the order we receive them.

Exempt Organizations specialists are able to approve some applications without further development. If we are able to conclude that no additional information is necessary to resolve your case, you will receive a determination letter stating that you are exempt from Federal income tax. If additional information or changes are necessary, the Exempt Organizations specialist will call or write you.

If we determine that you qualify for exemption upon receipt of the additional information, you will receive a determination letter stating that you are exempt from Federal income tax. If we conclude that you do not qualify for exemption, we will send you a letter telling you why we believe you do not qualify for exemption and will include a complete explanation of your appeal rights.

IRS does not issue "tax exempt numbers" or "tax exempt certificates" indicating that you are exempt from state or local sales or income taxes. If you need exemption from these taxes, contact your state or local tax offices.
